

FIRE BUCKETS & STANDS

Fire Bucket with Stand

- Buckets on a sturdy stand

TECHNICAL SPECIFICATIONS

BUILD	
Other	Buckets on a sturdy stand

How to use

1. Fill with dry sand for oil, fuel and electrical areas
2. Fill with water for wood, paper and cloth
3. Keep it full and in a fixed, visible place

Care & service

Check every month that the bucket is full, the sand is dry and free of rubbish and the water is topped up.
