

BOXES, CABINETS & STANDS

Fire Extinguisher Floor Stand

- Holds it upright · no drilling

TECHNICAL SPECIFICATIONS

BUILD	
Other	Holds the extinguisher upright; no drilling

Care & service

Keep the front clear so the extinguisher can be taken out at once; never lock it in a way that slows access in a fire.

Typical values; the rating and approvals printed on the product label apply. Specifications may change without notice. Issued Sep 2026.
